Feature Integration Checklist

Use this checklist to decide on essential website features:

1. Payment Gateway (e.g., PayPal, Stripe) - For online sales.

   - Do you need a payment gateway? [Yes/No]

2. Contact Forms - To gather customer inquiries or leads.

   - Add a simple contact form with required fields like Name, Email, and Message.

3. Subscription Forms - For email collection to build a list.

   - Place a form on the homepage or blog to capture interest.
